

BENGASI 2006 & 3E CONSTRUCTION

A 3D architectural rendering of a modern, multi-story building. The building features a dark, textured facade, possibly made of dark tiles or panels, with a grid-like pattern of windows. The windows are arranged in a regular, repeating pattern across the facade. The building is surrounded by greenery, including several trees and a lawn. In the foreground, there is a paved area with orange-colored steps or ramps leading up to the building. The sky is a clear, bright blue. The overall style is modern and minimalist.

The image displays a detailed architectural floor plan of a three-story apartment building. The plan is oriented vertically, with the entrance at the top. It features three distinct apartment units, each with its own entrance and set of rooms. The units are labeled with their respective areas: 'Ap. 6/2' (154 m²), 'Ap. 7/2' (184 m²), and 'Ap. 8/2' (190 m²). The plan includes various rooms such as living areas, dining rooms, kitchens, bedrooms, and bathrooms. Each room is furnished with appropriate furniture, including sofas, chairs, tables, beds, and kitchen appliances. Dimensions are provided for all rooms and corridors, and the overall layout is clearly marked with walls, doors, and windows. The plan also shows a central staircase and a common area at the entrance.
